

## HFMA Indiana Pressler Member in the Spotlight: Chandra Caldwell

My name is Chandra Caldwell, and I have been employed by Community Hospital Anderson for 21 years. My current role is serving as Director of Finance; where I prepare the budget, oversee Payroll operations, and assist in completing the monthly financial statements.

I have been a member of the Indiana Pressler Chapter of HFMA for over 15 years. Being a part of this Chapter has allowed me the opportunity to network with

others in my field. The HFMA organization also provides many articles and current events that permit me to stay up to date in healthcare finance, which is very helpful, professionally and personally.

I have been married to my wonderful husband, Todd, for 22 years. We have 2 children, Emma and Ben. Emma is 16 and just recently obtained her driver's

license. This has proven to be of more benefit than I imagined! She can now drive herself to choir practice, drama rehearsal, and work, where she tutors younger students. Ben is 13 and loves having his sister drive him around. Ben's big interests are anything technology related and playing tennis. My family also includes Charlie, a silver Labrador. Charlie is now 1 ½ years old and let me just say that we often have to tell ourselves “he is still a puppy; it will get better”. I often tell him he is lucky that he is so cute!

When I am not analyzing numbers at the hospital, I enjoy all the school functions my children are involved in and helping with those whenever I can. I also enjoy volunteering for non-profit organizations. Currently I serve as Treasurer of two local organizations; Hopewell Center, and Outfitters of South Madison County. I also serve on 2 other local Boards. For the last 5 years, I have been a member of our local Tri-Kappa sorority (Gamma Gamma Gamma), where we raise monies to help community need and projects. My family attends Pendleton Christian Church. In my spare time, I enjoy reading and shopping.
